ABOUT US

First Trading & Contracting Group established in 1977 is a general trading company based in Kuwait; the company has a steady growth from being a consumer related products company to the present state of being a multi-divisional company with value added capabilities. It changed from being a mere trader to an introducer of innovative products and state-of-the-art technologies into the Kuwaiti market.

Over the years it has provided high quality products & services, earned an excellent reputation and emerged as a renowned company in Kuwait. It is customer oriented and has always strived to provide the best products & services to its customers. This is evident from the fact that many of its customers have come back requesting solutions that do not necessarily fall under its expertise. First Trading and Contracting Group always willingly provided its clients with excellent professional consultations and helped them in finding appropriate solutions that best suit their requirements.

STRENGTHS:

- Established in 1977
- Multi-divisional company.
- Dedicated team of qualified, internationally trained & experienced employees.
- More than 30 years of experience in Security Printing.
- More than 19 years of experience in providing world class Security Systems & services in Kuwait.
- High reputation for systems integration and after-sales support.
- Partnerships and agreements with top international security manufacturers.
- Client base including several Government, Semi-Government, Oil sector and corporate entities.

SECURITY SYSTEMS DIVISION

SECURITY SYSTEMS DIVISION

The mission of the division is to introduce innovative and world-class products into the Kuwaiti market. The division along with its principle companies who are the leading security manufacturers around the globe is capable of providing professional consultancy services as well as implementing very huge security printing and security systems projects. The division has two lines of business; Security Printing & Security Systems.

SECURITY PRINTING:

The security printing department of First Trading and Contracting Group has been very active since 1992 advising its clients and providing solutions to meet their various needs in the document security, personalization & printing systems. The division at one point or the other has been entrusted to provide most of the major security documents for the State of Kuwait. It is supplying the Kuwaiti passports for over twenty years. Plus supply of Nationality Booklets, Birth Certificates, Revenue Stamps and Ministry of Justice documents for past several years.

SECURITY SYSTEMS:

The Security Systems line was started in 2000. It has earned a reputation for excellent project implementations & after sales services. Its quality of work has brought in repeat orders and new clients. It has successfully implemented several projects with different Government, Semi-Government, Corporate, Airline, Banking and Oil Sector entities.

SERVICES:

- Security Printing
- Security Consultation
- Security Systems Design
- Security Systems Integration
- Projects management & Maintenance
- Tendering Assurances

In the area of consultancy it understands the needs of its customers and provide them with the most technologically advanced and practical solutions which would provide protection to their initial investment and ability to be upgraded to the most advanced technology at any point of time. Its implementation expertise includes integration of various Security Systems, Monitoring Systems and providing complete turnkey solutions for its clients. It has several well experienced & internationally trained employees dedicated in providing the best support & services to its clients.
